Our staff will hold high expectations of and aspirations for care-experienced children.

Policies and Procedures

3.1 Staff Development and Training

We will ensure that the Designated Person(s) are trained for the role when they come to post and will continue to support them to access ongoing professional development pertinent to the role.

All staff are encouraged to participate in training that will enable them to meet the needs of care-experienced children more effectively and the Designated Person will raise awareness of typical issues and barriers for these children at a whole school/setting level.

3.2 Admissions & Transitions

Little Legs Montessori prioritises the admission of care-experienced children.

The importance of a thorough and planned transition is recognised and this may include:

- Transition meetings between schools and settings
- The swift transfer of information between schools and settings
- Additional visits and identification of staff mentor and/or peer buddy
- Additional support and planning for care-experienced children at times of transition
- Structured activities to 'say goodbye', in recognition of the impact of broken attachments and loss

3.3 Attendance and Punctuality

Attendance procedures will reflect the specific needs of care-experienced children.

Where there is a concern about attendance or punctuality Little Legs Montessori will speak to the carer, social worker and other relevant professionals including the Virtual School.

3.4 Exclusions

Little Legs Montessori will make every effort to avoid excluding a care-experienced child, in recognition of the impact of their early experiences and what their behaviour may have been communicating. We also recognise there may be increased risk of disengagement from school, due to their early experience of broken attachments and loss.

If the child is in care, before acting, we will discuss the rationale for exclusion with the relevant Virtual School. The Virtual School may be contacted for advice if the child was previously in care, with consent from the carers / parents. If there is no option other than exclusion, then we will make every attempt to reduce the number of days of the exclusion. Exclusion will not be used as a sanction, but instead will be used to plan successful access, inclusion and reintegration.

3.5 Pupil Premium Plus (PP+)

Where a care-experienced child is allocated pupil premium plus it is to be used for the benefit of their educational needs. Little Legs Montessori will ensure that:

- The allocation of PP+ promotes high aspirations and seeks to secure the best educational outcomes
- The extra funding provided by the PP+ reflects the significant additional barriers faced by CYP in care
- For children in care, the allocation of PP+ will be linked to clear desirable outcomes as identified in the Personal Education Plan (PEP)
